

THE MONKEY'S PAW

Due to the reduction in business brought on by the state-mandated closure of dining-in options, our menu has been slightly altered.

We will not be carrying fresh seafood until our dining room re-opens. Fish & Chips, Mussels, and Fish Tacos will not be available until that time.

Some other items that do not travel well, or cannot be easily put into a to-go container have also been removed from the menu.

Thank you for your understanding.
